### Data Science Roadmap (Next: Jan-2023)

This circle is for members who finished the 'Foundation' roadmap and are ready to level up!

18 Members · Last Active 1d ago

Host 

### Data Science Foundation (Next: Jan-2023)

Join this circle to learn the essentials of Data Science before deep diving any other track.

28 Members · Last Active 1d ago

Host 

### Python Book Club (Next: Jan-2023)

Reading and discussing the best open access books for Python

13 Members · Last Active 4d ago

Host 

### Python for Data Science (Challenges)

Collaborative learning community for Python beginners.

148 Members · Last Active 33m ago
